

Letter of Pope Francis "Fratelli Tutti"

WE ARE ALL BROTHERS

Last October Pope Francis signed his third universal letter on Fraternity and Social Friendship. Offering the example of the Good Samaritan, the Pope is inviting to build social relationships based on the common brotherhood of every human person. Among the values he is presenting there are solidarity, social justice, human rights, good governance, dialogue and cooperation among nations, common effort of different religions towards unity of human family, attention to the poor, a culture of peace.

Here below you can read at least few lines from this great message, as well as the final prayer to God the Creator.

⁵ Issues of human fraternity and social friendship have always been a concern of mine.

⁸ It is my desire that, in this our time, by acknowledging the dignity of each human person, we can contribute to the rebirth of a universal aspiration to fraternity. Fraternity between all men and women. "Here we have a splendid secret that shows us how to dream and to turn our life into a wonderful adventure. No one can face life in isolation... We need a community that supports and helps us, in which we can help one another to keep looking ahead. How important it is to dream together... By ourselves, we risk seeing mirages, things that are not there. Dreams, on the other hand, are built together".

Let us dream, then, as a single human family, as fellow travelers sharing the same flesh, as children of the same earth which is our common home, each of us bringing the richness of his or her beliefs and convictions, each of us with his or her own voice, brothers and sisters all.

¹⁵⁴ The development of a global community of fraternity based on the practice of social friendship on the part of peoples and nations calls for a better kind of politics, one truly at the service of the common good.

²⁷¹ The different religions, based on their respect for each human person as a creature called to be a child of God, contribute significantly to building fraternity and defending justice in society. Dialogue between the followers of different religions does not take place simply for the sake of diplomacy, consideration or tolerance. The goal of dialogue is to establish friendship, peace and harmony, and to share spiritual and moral values and experiences in a spirit of truth and love.

A Prayer to the Creator

Lord, Father of our human family, you created all human beings equal in dignity: pour forth into our hearts a fraternal spirit and inspire in us a dream of renewed encounter, dialogue, justice and peace.

Move us to create healthier societies and a more dignified world, a world without hunger, poverty, violence and war. May our hearts be open to all the peoples and nations of the earth. May we recognize the goodness and beauty that you have sown in each of us, and thus forge bonds of unity, common projects, and shared dreams. Amen.

KUADHIMISHA JUMAA KUU - Adhimisho la Juma Kuu ni la maana sana kwetu. Ndipo inapofanywa upya kumbukumbu ya kifo na ufufuko wa Bwana, pia matokeo ya kazi ya ukombozi wa Kristu. Fumbo la Pasaka limeonekana wazi katika ibada za Juma Kuu. Juma hilo linamhusu Kristu, aliyekufa na kufufuka. Pia, linamhusu kila mmoja wetu: inatupasa kufa pamoja na Kristu na kufufuka pamoja naye katika maisha mapya.

(Pope Paul VI, 1966)
